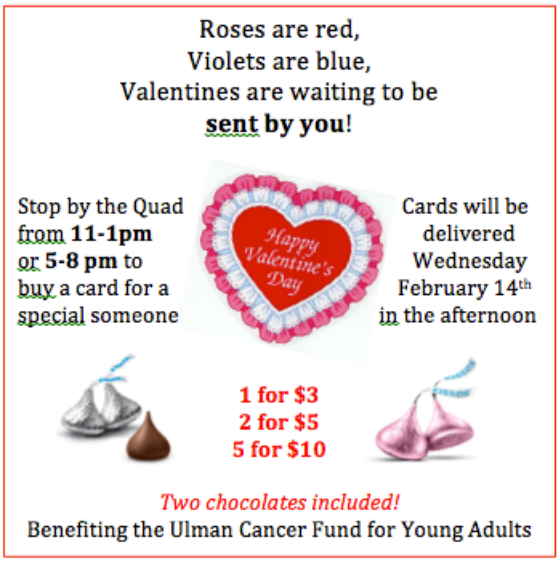
Sweet on 4K

How to fundraise around Valentine's Day

- Post on Facebook "Donate by February 14th and I will write you a poem."
- Sell roses or carnations on campus
- Throw a Valentine's Day Party & ask for donations
- Craft unique gifts to sell for people to give to their Valentine
- Hold a dessert auction or bake sale
- Create adorable cards to sell
- Have a gift basket raffle!

These ideas work best with a club, organization, team, or church group's help:


- Parent's Night Out – get a team, club, or church group to help *(see flyer on left)*
- Valentine-grams – deliver cards around campus – works best paired with a club or organization to help you *(see flyer on left)*
- Collect donations then serenade or read poetry to those selected
- Hold a dance at your church, at a retirement home, or on campus
- Ask to use a wall on campus - people can buy hearts to put up to dedicate to someone in their life who is affected by cancer
